Wanting to get the help of an interior designer  
but don't want to pay the price tag?

Ever admired someone else's colour scheme  
but haven't quite had the know-how to try it?

Whether it be paint, wallpaper, fabric, furniture or art, I  
will help you choose the right look for your project.

As a qualified interior designer, I specialise in creating  
functional, comfortable spaces with an emphasis on  
beautiful colours, fabrics and patterns. Making the most  
of your own unique style and personality.

Residential or commercial, inside or out, I can assist you  
with a personalised design service suited to you within  
budget and on time.

Whether your project is a new-build from plans, a  
renovation or just a fresh, new look for your current home,  
I can work with you to achieve a unique style suited to you.

Avoid costly mistakes and get it right first time to  
achieve flow, balance and harmony.

Working in with other professionals I will ensure the  
integrity of your design is not compromised.

To optimise your new project email or phone to enquire  
about the service best suited to you.
